

QUALITY CARE IN OUR 2022

MAJOR JOINTS NETWORK

Find a network facility for your health plan option

Hospital joints **Network**

The Major Joints Network consists of teams working at hospitals in a quality of care programme. Members using participating practices and hospitals in the Major Joints Network will enjoy full cover. Planned admissions performed outside the hospital network or by non-participating practices will be covered up to 80% of the Discovery Health Rate (DHR) for the hospital account and is subject to the limit per prosthesis if a preferred supplier is not used. Unless otherwise indicated the standard hospital network rules by plan apply (including for Coastal, Delta and Smart plan series). Plan type deductibles, payable by the member, in the normal course of events remain applicable.

This network will not apply to emergency and trauma related surgeries as well as bilateral and revision replacements or those related to congenital malformation of the joint, septic joints or cancer. This network is not applicable to the KeyCare and Essential Smart plans, because major joint replacements are excluded on these plans.
